

THE METAL INDUSTRY

WITH WHICH ARE INCORPORATED
THE ALUMINUM WORLD, THE BRASS FOUNDER AND FINISHER, THE ELECTRO-PLATERS REVIEW, COPPER AND BRASS
A TRADE JOURNAL RELATING TO METALS AND ALLOYS

Index of Volume 9

JANUARY—DECEMBER, 1911

THE METAL INDUSTRY PUBLISHING COMPANY, 99 John Street, New York

ARTICLES MARKED (*) ARE ILLUSTRATED.

ARTICLES.

A

| | Page. |
|---|---------|
| Abrasives, Modern | 156 |
| Acid Dip Finish, A Bright..... | 205 |
| *Alloys | 293 |
| *Alloys, Antimony-Lead, and of the Alumi- num-Zinc Alloys, Shrinkage of, During and After Solidification..... | 69, 125 |
| *Alloys, Some Acid-Resisting, Physical and Chemical Tests of..... | 24 |
| Aluminum, Silver Finish on..... | 9 |
| American Brass Company's Report for 1910. | 124 |
| *Arts and Crafts Work on Copper and Brass | 378 |

B

| | |
|---|---------------|
| *Badge Design, Essentials of..... | 303 |
| *Badge Design, Laying Out a | 512 |
| *Baffler Made of Allan Metal..... | 259 |
| Baumé Scale, The Fallacy of the..... | 416 |
| *Bearing Metals, Patent Controversy Over, 114, 155, 296, 295, 418. | 476 |
| *Beds, Brass, Construction and Finishing of Brass, Cloued, or Copper Finish upon Art Metal Lamps, Production of the..... | 77 |
| *Brass, The Corrosion of..... | 429, 472, 513 |
| *Brass Founding, Hints on..... | 373 |
| *Brass, Foundry, Practice—The Art of Producing | 19 |
| *Brass Goods, Plumbing, Steam, Gas and Water Works, Business System in the Production, Handling and Manufacture of | 331 |
| *Brass Goods, Plumbing, Steam, Gas and Water Works—Scientific Management in the Manufacture of..... | 457 |
| *Brass, Wrought, The Manufacture of 27, 123, 427 | 470 |
| *Bronze, Casting, Secret of, in Slam..... | 7 |
| *Bronzes, Japanese | 497 |
| *Bronze Memorial Doors, Great Cast..... | 119 |
| *Bronzes, Pouring and Melting Points of Some High Grade..... | 257 |

C

| | |
|---|----------|
| *Cadmium, The Electrodeposition of..... | 510 |
| Canada, Business Outlook in..... | 83 |
| Canadium | 509 |
| *Castings, Bronze, The Production of, by the Lost Wax Process..... | 229 |
| Chemical, Commercial and Common Names of Chemicals used in Plating | 490 |
| Chemist's Lament, The..... | 304 |
| *Cire Perdue, Value of, and Wissahickon Bridge Standards | 67 |
| *Convention of Foundrymen and Manufac- turers, The Pittsburg..... | 193 |
| *Copper-Nickel Alloys | 347, 387 |
| *Coslettizing | 207 |

D

| | |
|------------------------------------|-----|
| *Duralumin, Recent Tests with..... | 292 |
|------------------------------------|-----|

E

| | |
|---|----------|
| Electrochroma | 468, 506 |
| Electrodeposition, Modern Tendencies in... | 330 |
| Electroplating, Unsolved Problems in..... | 160 |
| *Electrotypes, The Manufacture of, From Copper Molds | 381 |
| *Enamelling, Cloissonné..... | 417 |
| *Etching of Metals and Stone, The..... | 164 |

| | |
|---|--------------|
| *Etching of Metals, The Galvanic..... | Page. 505 |
| Etching Metals by Means of Impressions Taken from Engraved Copper or Steel Plates | 79 |

F

| | |
|---|----------|
| *Factory Organization | 502 |
| Finishes, Antique, The Predominance of the Foreman, The Trials of a, in a Job Plating Plant | 15 |
| *Foundry, Non-Ferrous, Economies and Re- finements | 203 |
| *Foundry Patternmaker, The..... | 298, 344 |
| Foundry Patternmaker, The..... | 305 |
| *Furnace, A New Type of Electric..... | 208 |
| *Furnace, The Hellberger..... | 212 |
| *Furnace, The Hering..... | 211 |

G

| | |
|--|-----|
| Galvanizing, New Works in England..... | 78 |
| Galvanizing Process, New | 13 |
| Galvanizing Wire in Zinc Dust..... | 415 |
| *Gas Engine Installation, A..... | 120 |
| *German Silver, The Casting of..... | 76 |
| Gold, Sea Green, Solution..... | 256 |

H

| | |
|-------------------------------------|----|
| Heroult, Dr., Recollections of..... | 75 |
|-------------------------------------|----|

I

| | |
|--|-----|
| Iron, Tinning | 471 |
| *Installation, The Electric, in Plating Rooms | 112 |

J

| | |
|--|-----|
| Jewelry, Chinese, Made in Germany..... | 122 |
| *Jewelry, Venetian Mosaic..... | 16 |

L

| | |
|------------------------------------|-----|
| Loan Sharks, Decision Against..... | 163 |
|------------------------------------|-----|

M

| | |
|--|----------|
| *Manganese Bronze | 4, 73 |
| *Manganese Bronze, Effect of Repeated Melting on | 253 |
| *Manganese Bronze Rod Forgings, Some Remarkable Parsons | 109, 413 |
| Metal, Coating, New Method of..... | 85 |
| *Metal Coloring, Primitive..... | 346 |
| Metals, The Coloring and Staining of..... | 382 |
| Metals, Cast, The Crystallization of..... | 376 |
| *Metals, Non-Ferrous, in Railway Work..... | 507 |
| *Microscope, The, and the Brass Foundry. 26, 154 | |
| *Mints, The Equipment and Arrangement of, in England..... | 383, 420 |
| *Motor Circuits, Three Phase, Electrical Equipment for | 80 |
| Music Engraving, Plates for..... | 461 |

N

| | |
|---|--------|
| Nickel Deposits, Plitted and Rough, Cause and Prevention of..... | 462 |
| Nickel Peeling or Stripping..... | 302 |
| *Nickel Plating | 17, 84 |
| Nomenclature Run Riot..... | 71 |

O

| | |
|--|-----|
| Oil, Mineral and Resin Oil, A Novel Method of Detecting, in Other Oils..... | 334 |
| Packing, A New Metallic Rod..... | 122 |

P

| | Page. |
|--|---------------|
| Patternmakers and Pattern Shops, Kinks for | 23 |
| Pattern Shopmates | 118 |
| Pattern Shop Notes..... | 380 |
| Phosphorus and Sulphur in Coal and Coke, Notes on the Determination of..... | 342 |
| *Pittsburg, The, Convention of Foundry- men and Manufacturers..... | 237 |
| *Pittsburg, The Metal Industries of..... | 197 |
| Plater, Mechanical, The Evolution of the.. | 21 |
| Platers' Wrinkles | 160, 333, 390 |
| Plating, Silver, A Practical Talk on..... | 343 |
| *Practical Suggestions in Wiring of and Disposition of Work—Plating Operations. | 161 |
| *Presses, Drop, Foundations for..... | 8 |
| Propeller Wheel, Mending a Broken..... | 455 |

R

| | |
|---|-----|
| *Racks, Plating | 422 |
| Reorganization | 29 |
| *Roller Barrel Polishing..... | 337 |
| *Rome, N. Y., The Brass and Copper In- dustries of | 10 |

S

| | |
|---|----------|
| Sawdust, The Use of, As a Drying Material | 113 |
| Schoop Process, The..... | 13, 85 |
| Sheffield Plate, Old, Versus Modern..... | 22 |
| *Silver, The Adhesion of Electro-Deposited, in Relation to the Nature of the German Silver Basis Metal..... | 165, 288 |
| Smoke Prevention in England..... | 81 |
| *Solder, Soft, The Rapid Analysis of..... | 409 |
| Soldering, Suggestions About..... | 71 |
| Solution, Formula for Silver Plating..... | 414 |
| Spark-Emitting Alloys | 159 |
| Specifications, Proposed Standard, for Cop- per, Spelter and Manganese Bronze..... | 300 |
| *Spoon, The Evolution of the..... | 371 |

T

| | |
|--|-----|
| Tin, Chinese, Increased Output Promised.. | 122 |
| Tinning Articles of Gray Iron, Malleable Iron and Steel..... | 68 |
| *Tools, Forming, and Their Use..... | 111 |
| *Tools, A Set of Piercing, Shearing and Forming | 291 |
| *Tools, Special, for the Brass Shop..... | 72 |
| *Turbine Blading and Packing Pieces, The Manufacture and Use of..... | 1 |
| *Turning Balls and Radials with an Ord- inary Compound Rest..... | 159 |
| *Turret Lathe Work, A Few Suggestions on, in the Manufacture of Brass Goods. 6, 204, 560 | |

V

| | |
|--|-----|
| Valve Making, Early and Late Days of.... | 162 |
| Voltite | 287 |

W

| | |
|---|--------------|
| Watches and Watch Trade in Switzerland. | 26 |
| *Waxes, A List of..... | 341, 372 |
| *Wheels, Polishing, The Construction of... | 254 |
| *Wheels, Polishing, Their Construction, Use, Care and Abuse..... | 82, 330, 459 |
| *Wire Drawing in England..... | 181 |

Z

| | |
|---|-----|
| Zinc-Coating, Centrifugal Process of..... | 377 |
|---|-----|

AUTHORS

| | Page. |
|--|-----------------------|
| Allan, Andrew, Jr. *Patent Controversy Over Bearing Metals..... | 155, 295, 476 |
| Backus, C. G. *The Electric Installation in Plating Rooms..... | 112 |
| Barclay, W. R., A. M. I. E. E. *The Adhesion of Electro-Deposited Silver in Relation to the Nature of the German Silver Basis Metal..... | 165, 288 |
| Barnes, E. A. *Non-Ferrous Foundry Economies and Refinements..... | 298, 344 |
| Bliz, W. *The Production of Bronze Castings by the Lost Wax Process..... | 329 |
| Blair, Peter W. *Business System in the Production, Handling and Manufacture of Plumbing, Steam, Gas and Water Works, Brass Goods..... | 331 |
